Age-Friendly Care: Supporting Older Adults

Are you a PWS or PSS in Oregon looking to better serve older adults in your community? This **free, flexible training series** is designed just for you!

What You Will Learn

Learn how to deliver “age-friendly care” — care that meets the unique needs of older adults. Age-friendly care helps older adults feel respected, supported, and valued in all care settings.

PWSs and PSSs are essential to helping older adults live healthier, more independent lives. This training gives you the knowledge, resources, and tools to make a real impact.
