

## CONJ 601MD: Research Rotation

### Write Up Expectations

Within 2 weeks of completion of an approved research rotation, please submit a rotation summary to the MD/PhD program ([mdphdadmin@ohsu.edu](mailto:mdphdadmin@ohsu.edu)). This write-up will be shared with the MD/PhD Director and your Scientific Oversight Committee members. If applicable, it will also be shared with your PhD program's administrator for their files.

### Outline

Please use the following outline to complete your write-up. The write-up should be 1-5 pages in length:

Name:

Dates of Rotation:

Mentor:

Program (if applicable):

### Summary of Rotation

- Introduction to topic
- Summary of methods and results
- Conclusions of research
- Next steps
- If applicable, please also include tips or suggestions for any other students who may want to rotate through this lab.
- References
