Notes & Links	<div> SOC OASIS JCON 715 CONJ 640 JCON 725 </div> <ul style="list-style-type: none"> - CONJ 606MD: Journal Club to be taken throughout the entirety of MD/PhD program; attendance required. - SOC formed by MD/PhD Program; must meet every 6 months until DAC formed. - All students expected to hold annual meeting with Program Director. - MS2s must pass Step 1 exams before moving on to lab rotations. If delayed, TTCE required during study time. If delayed past Winter term, student will go on Leave of Absence. - DAC is formed with one member from SOC for continuity. - Dissertation must be submitted to library and all grad program requirements met before student can progress to MS3. - MD recredentialing must be done during final Grad year before student can start clinical experiences. - JCON 725 to be completed after core clinical experiences in MS3 or MS4 years. Counts towards clinical continuity. - The above is the fastest timeline to graduate for an MD/PhD student. Students may take additional time to complete their dissertation and may defend in other terms or years depending on defense readiness determined by their DAC and mentor.
